

## **HUMAN RESOURCE MANAGEMENT POLICY**

USAInfra is committed to meet our business objectives through its People. We recognise our employees as our most valuable asset and the management emphasizes the importance of providing our employee with a safe and Healthy working environment.

We foster a positive work culture and encourage our employees to take Pride and Ownership in all designated tasks embracing Teamwork at every level.

We encourage our employees to have an open mind and share their ideas to improve and value-add to the organization towards achieving our Mission and Vision.
